"I joined the Alzheimer's association because I wanted to do something larger than I was," said Carlie Ragland. "My Popi passed away from this disease in 2017 and I saw first hand the toll it took on him and the caretakers. The opportunity to give back in any way is my small part in trying to abolish this disease. I can say that being part of The Longest day campaign has helped turn a dark memory into a bright future!"

"We really want to make a difference and give back – so please consider registering or sponsoring the Alzheimer's association with some fun, friendly games of cornhole," owner Jesse Melson commented.
